My new bedding

Jess: I bought these new bedding - a new sheet and duvet.
What do you think of it?

Mary: Wow, lovely! Where did you buy it?

Jess: At the new store on Lower Main Street. They have a
big Christmas sale at the moment.

Mary: I need new pillows. Would you like to go with me
tomorrow?

Jess: Of course. Perhaps I can buy that beautiful blanket that I
saw.

A bunkbed

Jess: I love the room where your sons sleep. It looks so cozy.

Nora: Thank you. I think the bunkbed makes a big difference.

Jess: I am sure they love sleeping on it!
