### **At the Farmer's Market**

Mommy: We need to buy some strawberries, bananas, kiwifruit and grapes for our fruit salad.

Daddy: Mhm, I like that idea. I love your fruit salads. They are always so tasty.

Mommy: Thank you my love. I like to spoil my family.

Daddy: Are we going to get some ice cream with the salad?

Mommy: Wait and see! 😜

### **Helping Mom to make fruit juice**

Mom: Nina, please get the oranges and pears in the fridge. Then you can make us some juice.

Nina: Okay. How many orange juices?

Mom: We are five in the family. Four orange juices and one pear juice for Nick.
