### Eating steak tonight

- Betty: I do not feel like cooking tonight. Shall we eat out?  
Tom: Sure. What do you feel like eating?  
Betty: Mhm, how about a good old steak?  
Tom: You got it. I also want to eat steak!

### Finding a job

- Barry: I need to find a job for the holidays!  
Sarah: How about working as a bartender? The bar across the street is looking for part-time workers.  
Barry: Really? Wow, I am going over right now and see whether they'll hire me.  
Sarah: So, what did they say?  
Barry: I can start tomorrow! I am so happy! I can really do with the money!
