# FILL THE GAPS

## Chai Tea

recipe   stir up   heart   topped   East  
brewing   latte   spices   powder   instant

An exotic blend of \_\_\_\_\_, tea, milk and sugars makes up one of today's most favorable drinks. Originally enjoyed deep in the \_\_\_\_\_ of India, Chai tea has entered the Western zeitgeist. Introduced to Britain over a decade ago, Chai tea is an inexpensive yet sophisticated alternative to coffee and has found particular popularity amongst the youth.

With a \_\_\_\_\_ perfected in the factories to resemble the authentic Indian taste but without the long preparation time, Chai tea has been developed into an \_\_\_\_\_ tea enjoyable both hot and cold. With \_\_\_\_\_ time being around 3-5 minutes, busy-bodied workers can now also enjoy this aromatic blend of spices that initially took close to an hour to \_\_\_\_\_ with various steps in involved.

Preparation today simply requires a spoonful of the tea \_\_\_\_\_, a cup full of hot water and/or some milk and \_\_\_\_\_ with optional cinnamon powder. What makes Chai even more versatile and popular is that it is easily blended with other teas, such as Rooibos or Ginger, thus giving a sense of familiarity to those of us unfamiliar with this blend from the \_\_\_\_\_. Finally, what may ultimately be behind Chai's success outside of India is that it makes for a sensational \_\_\_\_\_ when mixed with a dash of coffee and milk.
