### Which season do you like best?

- A: I love **spring** when the flowers **bloom**. I always pick some **blossoms** and put them in my room. They **smell** so good. We have many trees in our backyard and they look like a picture.
- B: My favorite season is **autumn**. I like the **falling leaves**. They cover the whole street. The color of the leaves **changes** from **green** to **yellow** to **brown**. So beautiful.
- C: I like **summer** best. I like to go to the beach and I like the **warm** weather.
- D: I am the happiest during **winter**. We often go skiing and I sleep well when it is so **cold**.

## The seasons in my city

A: My city does not get much **wind** in **summer**. This is the season that it is very very **hot**.

B: Where I come from, the **winters** are very **cold** and the city gets a lot of **snow** during winter. The winters are long and very **cold**.

A: I once lived in a city where the **winters** were very **dry** as it does not get any rain in **winter**. It was not pleasant.

B: During **summer**, my city gets a lot of **thunder** and **lightning**. It is very beautiful but also scary!

## What do you see and enjoy during the seasons?

A: I often walk in the **rain** during the **summer** months. Then it is **cool** and I like the **smell** of the earth when the **rain** falls on it. I always carry an umbrella with me as it **rains** a lot.

B: It gets very **foggy** during the **winter** in my city; one has to be careful when you drive a car. It is sometimes difficult to see in front of you.

A: Last **summer** we had a **storm** on our farm. It **hailed** and many of the crops were damaged. My father was very sad.

B: My city gets a lot of **thunderstorms** in **summer**. The weather can be very **humid** and then it rains with lots of **lightning** and **thunder**. Lastly, a beautiful **rainbow** appears.
