Bev: We are visiting the Kruger National Park in South Africa this coming holiday. I cannot wait to see all the wild animals!

Tony: That sounds fantastic! Which animals are your favorites?

Bev: I love the cheetah and the leopard. They are such beautiful, big cats.

Tony: How long are you going to be there?

Bev: Ten days.

Nancy: Look at the elephant. It is huge!

Adrian: And a giraffe! We are so lucky to see all these animals!

Nancy: We are! They are so beautiful.

Adrian: Look, there's a baby giraffe!

Nancy: Wow! I want to take lots of photos to show my family.

Adrian: Good idea!
