### Our gap year in Europe

My \_\_\_\_\_ and I decided to go on a gap year after we graduated from high school. We have a \_\_\_\_\_, so she was a good choice to accompany me.

Sometimes we \_\_\_\_\_ but we also have a \_\_\_\_\_ together. We are both \_\_\_\_\_ to each other and \_\_\_\_\_ each other with our secrets and our lives.

During our stay in Europe, I \_\_\_\_\_ with another friend of mine. We are just friends, but everybody thinks that we are romantically involved. The two of us \_\_\_\_\_ very \_\_\_\_\_.

I \_\_\_\_\_ with many of my class mates. They moved to other countries, but I hope we can see each other soon again. I will try to get \_\_\_\_\_ with them on Facebook.
