## Hobbies

*Practice fluency with using  
the “W” words.*

*(When, what, where, which, who, why)*

1. What do you do in your free time?
2. Do you like to visit arts and craft markets?
3. Are you creative with your hands, i.e. painting, crocheting, etc.?
4. Can you make music? If yes, what instrument do you play and do you ever entertain your friends or family with your music?
5. What do you think when you see things that people create?
6. Do you like to buy unique stuff at markets?
7. Do you ever visit garage or boot sales? What do you like to buy?
8. People usually start a hobby and then it can become their main source of income. Do you know of anyone who has a hobby and who turned it into their “job”?
