## Tourism

### Match The Accommodation With Its Description

Types of Accommodation	Description
Hostel	A small inn where you only get a room with breakfast, often in a family's home.
Camping site	House owners can rent out their property to travelers.
Hotel	A place where travelers can stay and cook for themselves.
B & B	Travelers can stay with a local family.
Airbnb	A place where people can stay in a room with their own bathroom and have meals.
Homestay	A cheap place where travelers can stay and share rooms and bathrooms.
Self-catering apartments	A place where travelers can stay in tents.
