1. When you hear music, how do you feel?
2. Did your mother ever play music to you when you were a child?
3. Which child song do you remember?
4. In middle school and high school, we usually had one class singing. Did you enjoy this or did you find it boring?
5. We are all able to sing, but it doesn't mean that we sing beautifully. How is your singing?
6. Some people are born with a golden voice (a voice that sounds good to listen to). Do you personally know anyone like this? Were you born with a golden singing voice?
7. Are you shy to sing in front of others?
8. Do you ever go to music evenings? Where and what kind of music do they play there?
9. How do you listen to your music? Do you use headphones, earphones or do you let the music play loudly in your house?
10. Do you think our taste in music changed over the years?
