

WARMUP DISCUSSION

Plastic Surgery

*Practice fluency in using
the “W” words.*

(When what where which who why)

1. In your opinion, what is the purpose of plastic surgery?
2. More and more young people have plastic surgery nowadays. Why do you think this is?
3. If you had the money, is there any part of your face that you would like to change? Why?
4. Do you think we should choose our plastic surgeon very carefully or can we just go to any surgeon?
5. Taking botox or doing threading does not involve any surgery. Would you consider this?
6. Is plastic surgery popular in your culture?
7. Which three countries are famous for plastic surgery?
8. Would you consider taking off 5 years from your age on your face? In other words, small surgery?
9. Is plastic surgery easily noticeable? How?
10. Body surgery for health reasons. How do you feel about this?
