### Going shopping

Lily: Betty, do you want to go with me to the **Somerset Mall**?

Betty: That sounds like fun! I need a new pair of sneakers, so let's go!

Lily: Mhmm, there are many **sales** on at the moment. Woolen Shirts have a **summer sale** on and items are marked **half-price!** I love their shirts so I am going there. Where do you want to go?

Betty: You know, I like Mikinis Shoes. I hope they have a **sale** on their sneakers. See you later.

Lily: Ok.

## Inside the shop

Woman: Good afternoon, how can I help you?

Betty: Hello, I'm looking for the latest Brandon style sneakers. Do you perhaps have them on **sale**?

Woman: Well, this is your lucky day. This particular style is currently on **sale**. Minus **20%**.

Betty: Oh my goodness, that's wonderful. I'm looking for a **size 6**.

Woman: Here you are. How do they **fit**?

Betty: A little bit **tight**. Do you have a 7?

Woman: Unfortunately, not in this color. What about a darker **shade** blue?

Betty: That's okay. Let me **try** them on. Oh, they're perfect! I'll take them.

Woman: Will that be all?

Betty: Yes, I think so. Do you take **credit cards**?

Woman: Absolutely. It will be **\$30**.

Betty: Thank you very much. I am so happy!

Lily: Betty, did you find your shoes?

Betty: Yes, and they were on **discount!** I am really happy.

Lily: Wow, I'm glad you came! Let's go to Mary's, I want to try on some of those dresses they have in the windows.

Betty: All right, let's go!

## Trying on some dresses

Woman: Hello, how can I help you?

Lily: I would like to **try** on the dress that the **mannequin** in the window is wearing.

Woman: Sure. What **size** are you?

Lily: I'm a **medium**.

Woman: The dress comes in blue, yellow and pink. So you can **try** them on and see which color you prefer.

Lily: Betty, what do you think? The blue or the yellow?

Betty: Oh, I like the yellow. It looks lovely with your tan. The **fabric** is so soft and compliments the body a lot.

Woman: This is our **summer sale**. **Buy one, get one free!**

Lily: Oh my goodness! This is a bargain! I will take the yellow AND the blue one! How much is it?

Woman: \$45. How would you like to pay?

Lily: **Cash** please. I am sorry, I only have \$100. Do you have **change**?

Woman: Of course, here is your \$55 **change**. Thank you for shopping with us. Please come again.

Lily: We certainly will. (**Looks around**) Betty, where are you?

Betty: I found this jumper. Feel the **texture**. It will look good with my new pair of jeans. And it's 15% **off!** I think I'm going to take it but first need to **try it on**. Where are the **fitting rooms**?

Lily: Behind you!

Betty: The jumper is a little bit **baggy!** What do you think?

Lily: That's the **cut**. It needs to be **baggy!** Take it, it's beautiful!
