

AILMENT AND TREATMENTS

How are you feeling?

Match The Ailment
With Its Treatment

Ailment	Treatment
Toothache	Drink medicine to bring down the fever and stay in bed.
Backache	Drink medicine and rest. See the doctor if you still feel sick after a few days.
Headache	Take some tablets for allergies.
Stomachache	Drink a tablet and a few glasses of water.
Fever	Drink medicine and be careful what you eat.
Stuffy nose	Drink lukewarm water and sleep.
Allergies	Drink medicine and sleep.
Diarrhea	See the dentist who will treat the tooth.
A cold	Rub some ointment on the sore muscle and rest for a few days.
The flu	Drink some medicine and be careful what you eat.
