A visit to our farm

- David: Do you want to go with me to our farm this weekend?
Tom: Oh, yes! Do you have lots of animals there?
David: Yes, my father farms with cattle and sheep.
Tom: Wow, do you have other animals as well?
David: Yes. Pigs, chickens, ducks, geese, three dogs, and two cats. We also have some horses.
Tom: Wonderful, I can't wait!

Sunday lunch

- David: Tom, this is lamb and that is pork.
Tom: Thank you very much. It looks delicious.
David: The vegetables you'll eat today are all grown on our farm.
Tom: Wow. What about the cheese and the butter?
David: My mother makes it all herself. All the products that you'll eat come from our animals, i.e. cheese, milk, butter, and meat.
