

## YOUR TEACHER SAYS

1. You will read a sentence to your students and follow it up by saying: ... *and your teacher says, it's true/false.*  
**Example:** Cats are better pets than dogs... *and your teacher says, it's true.*
2. Give your students a moment to think about this and they must then agree or disagree with you, and tell you briefly why.
3. Make some sentences *true and some false.* Have fun!
4. Depending on the size of your class, you can allow multiple students to answer/debate your statement.

Can you trust your teacher with his answers? 😏

1. Everyone on our planet has enough drinking water.  
*And your teacher says it's true*
2. It is ok for cattle farmers to cut down the Amazon rainforest so they can grow grass for their cows.  
*And your teacher says it's true* 🙄
3. Drinking plant-based milk can help us protect the environment.  
*And your teacher says it's true.*
4. Air pollution is caused by factories and too many cars on the roads.
5. Reusable shopping bags can help protect the environment.
6. It is better to use public transport.
7. More people should buy electric cars.
8. Global warming is NOT caused by humans.
9. Governments will be UNHAPPY if more people use bicycles.
10. Rich countries waste too much food.
11. It's a good idea to support second-hand clothing shops.
12. The sea levels are NOT rising.
