## Photography

Practice these conversations  
with a friend.

### A Beautiful Memory

- A: Girlfriends, look at these **photos**. They were taken when my bestie and I went on our European tour. It was the first time we left for overseas and we took so many **photos**.
- B: This is a **gorgeous** photo. Where is this?
- A: It was taken during the Venice Festival. I was **keen** on taking these photos because the people wore the most amazing **costumes**.
- C: The clothes are gorgeous! I also want to attend this festival.
- A: The festival is every **photographer's** dream because the costumes are the most beautiful colors together with the **face masks**.
- B: Can you guys guess who is behind these masks - It's Bestie and me!!!

## A Celebrity Photo

- A: I am going to buy my favorite magazine because there are some **stolen photos** of my favorite movie star in it.
- B: I feel so sorry for the celebrities. They have no privacy. The **paparazzi** follow them everywhere.
- A: That is true, but where will we get all these lovely photos if the **paparazzi** do not do their job!
- B: Yes, it's true, but I feel it's not right.
- A: I am going to put this photo in a **frame** and put it on the table next to my bed. I am crazy about Steven Black.
- B: Yes, he is a real **hunk** and this is a beautiful photo of him.
- A: I wonder whether he is as handsome as he appears in the photos. It could be that he is just very **photogenic**.
- B: Maria has seen him in **real life** - she says he looks better in the photos.
- A: Mhmm, when a **professional photographer** takes the photos, we can all look handsome, don't you agree?
- B: Absolutely, even me! Ha ha ha.
