Shopping

*Essential words to know,
which your teacher
will explain to you.*

butchery	aisle	bag	box	per kg/liter
canned food	cashier	pay	weigh	fresh produce
frozen food	bakery	cart x 2	candy	groceries
cashier	rewards	recyclable		

Time to do grocery shopping

Mom: We need to go to the **supermarket** today. We have to buy **groceries**.

Tina: Mom, may I push the **shopping cart**?

Mom: Of course! Let's go to **aisle** no 7 where they keep the **canned food**.

Tina: Mom, what about bread?

Mom: Do you mind going to the **bakery** and getting 2 loaves of bread, please?

Tina: Mom, is it okay to take some candy?

Mom: One chocolate! Now, we need to go to the **butchery** for some beef and lamb. Then finally, you can push the **cart** to the **fresh produce** section. We need a lot of fruit and vegetables!

Weighing some stuff

Shopkeeper: Let me **weigh** the bag for you, ma'am.

Mom: How much does it cost per **kilogram**?

Shopkeeper: It's **\$1.50 per kg**.

Mom: May I have **2 kg**, please.

Shopkeeper: Certainly.

Mom: I would also like a **bottle** of orange juice, please.
How much is it?

Shopkeeper: It is \$3.50 a **liter**.

Mom: Thank you. Where do I pay?

Shopkeeper: The **cashier** is right in front of you in the left corner.

Mom: Thank you.

Cashier: Ma'am, would you like some **shopping bags** to put
the **groceries** in?

Mom: No, thank you. I brought my own. They are made
from **recyclable** material.

Cashier: How would you like to pay and do you have a
rewards card?

Mom: Yes, I do and I would like to pay by **credit card**,
please.

Cashier: The total is \$110.

Mom: Thank you for your service and kindness. Goodbye.

Cashier: Goodbye ma'am. Have a good day.
