

Discussion Questions

Relationships

Student A

1. Are you an easy person to get along with?
2. Do you have a big circle of friends or are you more of a loner?
3. Are you in a romantic relationship at the moment?
4. If you are married, how long have you been married? Too long? 😊
5. Do you share your secrets with all your friends or certain secrets with certain friends?
6. Do you think your relationship with your computer/phone takes more of your time than being with actual friends?
7. Do you have a better relationship with some of your friends than your family members?
8. How long have you been friends with your best friend?
9. What makes you a good friend?
10. Do you have a best friend from the opposite sex? Is it possible for two persons of opposite genders to be friends?

Student B

1. Do you have any relationship with a family member or colleague that stresses you out?
2. Do you have a good relationship with your pet?
3. Do you have a good relationship with your parents?
4. Do you prefer a female or male doctor? Why?
5. How would you describe your relationship with your boss?
6. Is your boss female or male? Which gender do you prefer?
7. What kind of relationship would you like to have with your children?
8. Would you describe your parents' relationship with each other as very good?
9. Do you still have your grandparents? What kind of relationship would you like to have with your grandchildren?
10. Do you know any "difficult" people? How do you deal with them?
