Activity 1: First Day Interviews (Pair Work)

Work with a partner. One student is **Partner A**, the other is **Partner B**.

Partner A – You are a new student.

Partner B – You are a student who was in this class last year.

Ask and answer these questions:

- What did you do during the summer?
- Are you happy to be back? Why?
- What is your goal for this school year?
- What do you want to learn this year?

Activity 2. The 60-Second "Show and Tell" Challenge

Take out one item from your backpack right now (like a pencil case, a notebook, a keychain, or a photo). Show it to your partner.

You have **60 seconds** to talk about your item! Tell your partner:

1. What is the item?
2. What color is it?
3. Why do you like it or use it for school?

When the timer stops, switch roles so your partner can share their item!

Activity 3: Extended Role-Plays (Choose 2–3)

Work with a partner and act out the situations.

1. You meet an old friend on the first day. Greet him/her and talk about the summer.
2. You are a parent talking to the teacher on the first day.
3. You are nervous. Talk to your friend or the teacher.
4. Interview a classmate: "Tell me about your summer holiday."
