

Main - Activity 2

JOBS

1. What do you do/Where do you work?

Ask this question and write it on the board:

‘What do you do?’

Use yourself as an example. ‘I’m a teacher.’

Write on the board:

‘Where do you work?’

‘I work at [SCHOOL’S NAME].’

Pair the students. Practice the above questions.

2. There are different jobs on handouts 1 and 2. Give these handouts electronically to your students, print them or show them on a projector. The students need to practice all three formats:

‘Where do I work? I work at [COMPANY].’

‘Where does he work? He works at [COMPANY].’

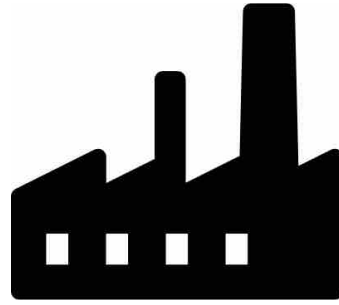

‘Where does she work? She works at [COMPANY].’

The students need to swap roles.
