

ADJECTIVES

1. Feelings

Give each student an electronic copy of handouts 1 & 2 print them, or display them on the projector.

These are images of feelings. Elicit some feelings from the students, otherwise use this prompt list:

Angry, happy, sad, calm, scared, tired, bored, surprised, relaxed, sick.

The students must make a sentence with the image he/she chooses.

You can show the pictures below to the students and elicit what feelings they see in them.
