OBJECTS

1. **Counting backward**

   Explain that you are going to count backward from '100 to 1'.

   Get the group into a circle and count in a round-robin manner.

   If you are happy with the progress of the group you can

   modify this by changing the fifth number to a color, i.e.

   100, 99, 98, 97, 96, **pink,** 94, 93, 92, 91, **orange**…
