## PERSONAL INFORMATION & FEELINGS

**TEACHER-STUDENT WORKSHEET. ELICIT ANSWERS AND WRITE THEM ON THE BOARD. HANDOUT SEPERATE**

### 1. **What is your address?**

Tell the students that each country has its own way of writing addresses. In western style addresses, we usually start with small and go to big.

**Question:** 'What is your address?'

**Answer:** 'My address is:

Flat 3  
26 Bucket Road  
Essex  
SS5 3DD  
UK

### 2. **Bringing It All Together**

Pair-work. Give each student **Handout 1** and let the students play the game, asking the questions and giving answers. The students can use the two addresses above.

At the end of the game, let each student report back to the teacher in the third person on the address and telephone number of his/her partner.

**Example:** 'My partner's address is: Flat 20, 111 High Street, London, SW1 4AA, UK. His/her telephone number is: 022 456 783 222.'
