

# Main - Activity 2

## DAYS & TIME

1. Will ...(indicating the future)

Ask the students what day it is today.

Write the seven days on the board. Monday to Sunday. (You should have it on the board from the previous activity).

Then say and write this:

'In two days it will be [DAY].'

Indicate that 'will' takes us into the future.

Show the steps forward from today and two days from now.

Write big on the board the word 'will'.

Give **Handout 1** to each student.

Work through the questions together. Remind the students that they will make sentences about the future. Listen to pronunciation and grammar.
