WHAT DO YOU DO EVERY DAY?

TEACHER-STUDENT WORKSHEET. WRITE THE ANSWERS ON THE BOARD

1. How Often?

Introduce these basic **adverbs of frequency**:

'Never, sometimes, often, always, usually, never, seldom, normally.'

Examples:

'I never get drunk.'

'I sometimes go to the movies.'

'I often buy a burger and chips.'

'I always brush my teeth before I go to bed.'

'I usually sleep in on a Saturday / I normally sleep late on a Saturday.'

'I seldom sleep later than 7 o'clock.'

Ask the students what they like **doing or eating** and how often.

They can make their own sentences. Ask them to practice all the adverbs of frequency. Pay attention to the grammar.
