WHAT DO YOU DO EVERY DAY?

TEACHER INSTRUCTIONS AND STUDENT HANDOUT

1. Listen for the words.

Give the students the **Handout**. They need to listen carefully to what you read to them. They need to fill in the correct **adverbs of frequency** as they hear you say them.

Read slowly:

'I **usually** get up early in the morning at 6 o'clock. I **always** shower first. I **often** eat eggs and bread for breakfast. I **sometimes** watch television at night. I **normally** go for a walk just after dinner. I **seldom** go to the movies. I **always** go shopping on a Saturday morning. I **never** stay away from English class. I **sometimes** fall asleep in class when it is boring. I **usually** eat lunch at 1.30 PM. I **seldom** work overtime. I **usually** walk to work. I **always** get to work before 8 o'clock. I **usually** have a tea break at 3 o'clock. I **usually** get home just after 5. I **often** chat with my friends on social media. I **never** play computer games. I **never** smoke but **sometimes** have a glass of wine at night. I **always** take my vacation during the summer months. I **often** drink hot chocolate in the evening.'

Ask students randomly to read their sentences back to you, sentence by sentence.

Listen carefully to what your teacher reads. Fill the gaps with the words you hear.
