## HOME

### 1. My House

Peter: 'I'm going home now.'

Sally: 'My sister is at home.'

State to the students that home means your place of living.

Write on the board:

**Question:** 'Is your father at home?'

**Answer:** 'Yes he is.'

'No, he isn't.'

**Question:** 'Are you going home?'

**Answer:** 'Yes, I am.'

'No, I'm not.'

Pair-work. Practice this conversation. Change roles.

**Nickie:** My favorite room is my bedroom.

**Nancy:** I like the living room.

**Nickie:** In my bedroom, I can study, listen to music and sleep.

**Nancy:** That's right, but I can watch TV, chat to my mom and relax in the living room.

**Nickie:** What do you do in the kitchen?

**Nancy:** I help my mother to cook in the kitchen!
