

Think faster than your classmates.

QUICK-THINK VOCAB

We have, and had, some clever & creative people in this world, and they came up with some awesome inventions.

Think about the bicycle, electricity, antiperspirant, and planes, to name but a few.

What impressive inventions can you think of that begin with the following letters? Try to find a few words for each letter:

B - bicycle,

R -

E - electricity,

S -

A -

C -

T -

F -

P -

W -

Quick-Think Vocab - Inventions
