

Mini conversations.

RESEARCH, READ & REPEAT

1. Choose one of the inventions in the first activity that you like.
2. Do some quick research and make a few notes.

1. To have a good conversation, research some interesting information:

Information about the inventor.

Why was there a need for the invention?

Any other information that you think is interesting and worth sharing?

2. When you have finished with the research, read through your notes and think of the easiest and most understandable way to tell your story to your partner.
3. Make turns to share the information you found.
4. Use the 5 x “W” words to start a mini conversation about your findings.
