Talkmor suggestion:

Wave at your students. Make sure you have everyone's attention. Use your hands to point at yourself and say "hello". You can alternate, with "Hi".

Point at yourself and say:

'I'm teacher [NAME]. What's your name and how are you today?'

Simple questions:

Who can tell me what big sports event is happening this month?

How often does this event take place?

In which country is this event going to take place?

Are you going to watch this event?

Listen to their pronunciation when the students answer your questions. You can give them clues if they do not know the answers.
