### Before the game

Tom: Les, I am so excited! I got two **tickets** for the **opening game** of the **World Cup**! Do you want to go with me?

Lesley: Of course I want! Wow, that is wonderful news!

Tom: My mom won the tickets. Dad is on a **business trip** so she gave them to me. She knows I am a big **football fan**.

Lesley: We are the happiest two **fellows**. Please thank your mom for **spoiling** us.

Tom: We got good **seats** so we will see all the excitement right in front of us!

Lesley: I can't wait!

### At the game

Lesley: The **stadium** is **packed**. I wonder how many **spectators** are here?

Tom: I think around 80 000.

Lesley: Who do you think is going to win the game?

Tom: The **host country** has a strong team, but I do not really care. My team is only playing next weekend.
