Simple Vocabulary and Sentences.

1. Look at the Pictures

Students look at A and B and name things they can see. 🖐️

2. Find the Differences

Students find **10 differences**.

Sentence frames:

- In Picture A, there is a _____.
- In Picture B, there is a _____.
- In A, the _____ is _____.
- In B, the _____ is _____.

Example:

In Picture A, the woman has a black dress.

In Picture B, the woman has a blue dress.

3. What's Missing?

Students look at Picture A for 30 seconds. Hide it, then ask:

- What shops can you remember?
- What people can you remember?
- What animals can you remember?
- What things can you remember?

3. Where Is It?

Simple prepositions using the picture:

in • on • next to • behind • near • under

Examples:

- The woman is **next to** the shop.
- The bag is **on** the table.
- The dog is **near** the woman.

4. Quick Speaking

Partner A: What can you see?

Partner B: I can see a shop.

Then swap.
