Christmas Shopping Challenge

You have a limited budget.

You need presents for:

a child • a teenager • an adult

You have **\$100**.

Decide how much to spend on each person.

Explain your choices.

Christmas Dinner Disaster

You are preparing Christmas dinner for eight people.

Suddenly:

- the oven stops working
- someone is vegetarian
- you don't have enough food
- a guest arrives two hours early

Work together.

What will you do?

Christmas Without Money

Imagine you have no money for Christmas presents.

What could you give people instead?

Think of:

- time
- food
- help
- handmade presents
- experiences
- personal messages

Choose three ideas and explain them.

The Difficult Present

Your friend gives you a present you really don't like.

What do you do?

Discuss the possible choices:

*pretend to like it • tell the truth • thank them anyway
exchange it later • give it to someone else*

Which is the best choice?

Class Christmas Survey

Ask five classmates:

1. Do you celebrate Christmas?
2. Do you buy Christmas presents?
3. Do you enjoy Christmas shopping?
4. What is your favourite Christmas food?
5. What is your favourite Christmas activity?

Report your results.

One-Minute Christmas Talk

Choose one:

- The best Christmas present
- The worst Christmas present
- My favourite Christmas food
- A Christmas tradition I like
- A Christmas tradition I dislike

Speak for one minute.

Writing

Christmas in My Country

Write **120–150 words** describing how people celebrate Christmas where you live.
