Debate

“Christmas has become more about shopping than celebrating.”

One group argues **FOR**.

One group argues **AGAINST**.

Each group must give:

- three arguments
- one example
- one response to the other side

The Pressure to Give

Discuss: “People shouldn't feel pressured to buy expensive Christmas presents.”

Do you agree?

Think about:

- advertising
- social media
- expectations
- debt
- families
- children

Christmas and Culture

Christmas means different things to different people.

Discuss:

- religion
- family
- food
- tradition
- holidays
- presents
- advertising
- community

Which of these has become most important in modern Christmas celebrations?

Is Christmas Too Commercial?

Consider both sides.

Christmas has become too commercial because... _____

Christmas shopping can be positive because... _____

Now give your own opinion.

Christmas Around the World

Choose a country.

Research or discuss what you know about Christmas there.

Compare:

food • decorations • presents • traditions • weather • family activities

What is most different from your own Christmas experience?

Critical Thinking

Complete this statement:

Christmas is supposed to bring people together, but...

Develop the idea.

Opinion Writing

Has Christmas Become Too Commercial?

Write approximately **150–180 words**.

Give your opinion, reasons and examples.
