

SELF-INTRODUCTION

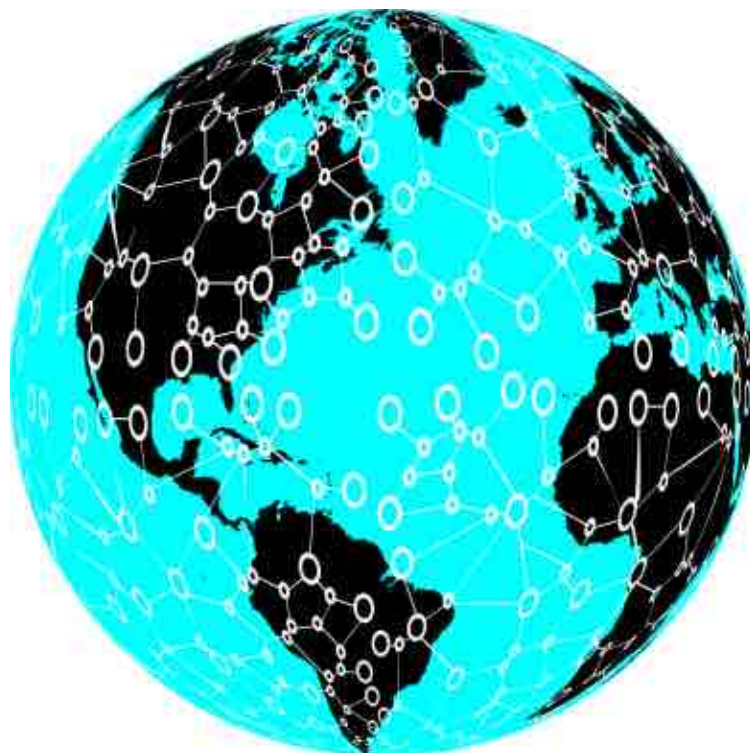

1. **Introducing phone numbers.**

The teacher writes on the board:

'Hello, my name is [NAME]. I'm [NATIONALITY]. I come from [HOMETOWN]. My phone number is [NUMBER].'

Tell the students to repeat this by pointing at themselves and then the person to their left.

Go around in a circle. Listen to the pronunciation. Correct where necessary.

Handout 1 - Below are names and telephone numbers. Practice the conversation you have just learned with different classmates. Change classmates often.
