

# Teacher's Guide

## NEIGHBORHOOD

### Lesson Objectives

Teach students the names of places in their neighborhood.

### Target Language

Where can I find..., you can buy it at the..., I can buy it at..., you must go to the..., I want/I need..., you should go to the..., etc

### Vocabulary

Shop names, services and places.

Supermarket, laundromat, post office, police station, bakery, butcher, restaurant, cinema, stadium, convenience store, tailor, bank, stationery shop, park, sidewalk,

### “Where Can I Find” worksheet:

It's all about shop names and places in a city, but if your students have the ability you can also use this activity to practice giving directions.

### Example:

Turn right on 5th Avenue and go straight.

Go across Main Road and you will find the Hostel on your right.

### Talkmor Suggestion
