

Make a correct sentence.

ROUND-ROBIN SENTENCES

a. Introduce the topic and get students to think about as many things related to the topic as possible.

b. Tell students to think of one sentence **only** about *Today* and activities related to *Today*, e.g.:

One sentence when we think of travel:

we are going to the airport today

we are going to catch a flight today

we will have lunch at the airport

we will arrive at our destination later this afternoon,

etc.

c. In a small class, ask each student in a round-robin manner.

d. In a big class students can be divided into groups and this can be a Round Robin group activity.
