## Romance

*Practice Fluency By Asking  
Your Friend These Questions*

### Student A

1. Would you describe yourself as a romantic person?
2. Are you married? If yes, how long?
3. What age do you think is perfect to get married?
4. Does a person's age define whether a marriage will last?
5. Do you think it is healthy to flirt even if you are very happily married?

### Student B

1. What do you think is the reason for so many divorces today?
2. What is a good recipe to keep the interest of your partner?
3. Do you think each of us only has one perfect partner in this life?
4. What characteristics would you like your partner to have?
5. Do you think it is okay to never get married but to only live together?
