Odd One Out

1. Street lights, roadsigns, **bridges**, traffic lights
Everything is beside the road except the bridges
2. Pavement, **traffic jams**, sidewalk, pedestrian crossing
All designed for walking, except for a traffic jam
3. Police station, **sports center**, train station, petrol station
All "stations" except the sports center
4. City center, parking lot, **airport**, roundabout
An airport is usually outside the city
5. **Museum**, church, mosque, temple
A museum is not a place of worship
6. Restaurant, café, hotel, **library**
A library is not related to food/eating
7. Bus stop, **theater**, airport, train station
All related to transport, except theatre
8. **Market**, clothing store, bookstore, shoe shop
A market is not a shop. The rest are all shops
