Describe Your Pet

Appearance
(The way your pet looks)

Think of many things like; how tall they are, what their hair looks like, are they fat, etc.

Personality
(What the animal is like)

Think of what the animal is like, for example, is he lazy?

Write all the words you can think of in the blocks above, then make a sentence with each word. When you have finished, change each sentence into a question for your partner, for example, “my dog is cute and small” and “what does your dog look like? What does your cat look like?”
