

Description.

NEIGHBORHOOD

Describe Your Neighborhood

Appearance

(What the places in your neighborhood look like)

Think of things like; how tall the buildings are, what they look like, are they colorful, etc.

Adjectives/Atmosphere

(What it is like to be there)

Think of what the place is like, for example, is it cold, is it busy, etc?

Write short sentences in the blocks above, then change each sentence into a question for your partner, for example, “the park near my house is very relaxing” and “what is the park near your house like?”
