Target Language

A barbecue, sausage, chicken pieces, steak, lamb chops, pork ribs, pre-pack the meat, put the meat in the freezer, spoil my family, pack the meat in freezer bags, the recipe of great-grandmother has been handed down over generations, roast, pasta.

Talkmor suggestion:

Tell your students that you are going to test their comprehension ability with a short article.

The students should take turns reading the article. Correct pronunciation. Explain any unfamiliar vocabulary. Let the students repeat the word after you to get the correct pronunciation.

Let the students repeat the word after you to get the correct pronunciation.

The additional words are good to know to expand vocabulary.
