

GUIDELINE

HOUSE PETS

Lesson Objectives

Pets that we can keep in our house.

Target Language

Our cat has blue eyes. The dog likes to run in the yard. The cat likes to play with a soft toy. The dog sleeps with the boy in his bed. The parrot learns to talk. We should take good care of our pets. The cat is 10 years old. The dog is 3 months old. The parrot learns to talk. The pets are spoiled. We got the puppy from the animal shelter. I love my cat to pieces.

Talkmor suggestion:

Tell your students that you are going to test their comprehension ability with a short article.

The students should take turns reading the article. Correct pronunciation. Explain any unfamiliar vocabulary. Let the students repeat the word after you to get the correct pronunciation.

Students read the article for a second time, softly.

Finally, the students answer the comprehension questions and complete the worksheets.
