

GUIDELINE

PIZZA FOR DINNER

Lesson Objectives

This lesson introduces how to make a pizza and its ingredients.

Target Language

We use a pizza oven to bake the pizza. I put some cheese, tuna, garlic, tomato paste, onion, green pepper, olives on the base.

We eat the leftovers the next day.

You can cut the pizza with the pizza cutter.

Talkmor suggestion:

Tell your students that you are going to test their comprehension ability with a short article.

The students should take turns reading the article. Correct pronunciation. Explain any unfamiliar vocabulary. Let the students repeat the word after you to get the correct pronunciation.

Students read the article for a second time, softly.

Finally, the students answer the comprehension questions and complete the worksheets.
