News.

MOVIES & TV

Write some sentences in the box below about your family and what they like to watch on TV, or what kind of movies they watch in the cinema. For example; my mother loves TV series, especially hospital stories. My dad only watches the news at night and sports on the weekends. My sister and her boyfriend always go to the cinema, but she doesn't tell me what they watch. My grandpa can't hear so he is always cleaning the house.
