Idioms - Feelings and Emotions

To give your best shot - Trying your best

To stay ahead of the game - A position in which one is likely to win

To meet (one's) match - To find someone equal in ability

A long shot - Something that is not likely to succeed

To take sides - To support one team over another

Get the ball rolling - To get something started

Against the run of play - When a team scores a goal when they probably do not deserve to

Nail-biter - A sports event that is exciting because you do not know who will win

Hat trick - The scoring of three goals in a game by one player
