The Easter Budget

You have **\$50** to organise an Easter celebration.

You need:

- food
- drinks
- decorations
- Easter eggs
- an activity

Decide how to spend the money.

You cannot spend more than \$50.

Explain your choices.

Easter Problem-Solving

Your family is planning an Easter celebration.

Unfortunately:

- the weather is terrible
- two guests are vegetarian
- you don't have enough food
- the children are bored
- someone has forgotten the Easter eggs

What will you do?

Work together and solve the problems.

One-Minute Challenge

Choose one topic.

- The best thing about Easter
- The strangest Easter tradition
- A perfect Easter holiday
- Easter when I was a child
- Why people like chocolate eggs

Speak for **one minute**.

No notes if you can manage it!

Easter Discussion

Choose three.

1. Do adults need Easter presents?
2. Is chocolate too important at Easter?
3. Should Easter be taught in schools?
4. Is Easter mainly about religion or family?
5. Should shops close during Easter?
6. Are holidays becoming too commercial?

A Perfect Easter Holiday

Write 120–150 words. Describe what your perfect Easter holiday would look like.

Include:

- where you would go
- who you would spend it with
- what you would eat
- what you would do
- why it would be special
