

Family Technology

Imagine a family dinner.

Everyone has a mobile phone.

What should happen?

Choose one:

- No phones at all
- Phones are allowed
- Phones are allowed only for emergencies
- Everyone decides for themselves

Explain your choice.

Family Interview

Ask a partner:

1. Who was your closest relative when you were a child?
2. What did your family do together?
3. Did you have family traditions?
4. Who taught you something important?
5. What family tradition would you like to continue?
6. What family tradition would you change?

Report **two** of your partner's answers to the class.

Family Confessions

Complete one or more:

The funniest person in my family is... _____

The person who talks the most is... _____

The person who is always late is... _____

The best cook in my family is... _____

The person who gives the best advice is... _____

Explain your choices.

The Generation Gap

Discuss:

What might be different between:

grandparents • parents • teenagers

Think about:

- music
- clothes
- technology
- work
- communication
- free time

Which differences cause the most arguments?

Speaking Challenge

You have **one minute** to talk about:

What makes a family a family?

You can talk about:

- love
- living together
- support
- traditions
- relationships
- shared experiences
