

The Changing Family

Complete the statement:

“The traditional idea of a family is changing because...”

Develop your answer with examples.

Family & Money

Imagine two adult children have elderly parents who need financial support.

One child earns a lot of money.

The other has very little.

Should they contribute equally?

Discuss.

Family Expectations

Imagine a young person wants to make a life choice that their family strongly disagrees with.

Examples:

- career
- marriage
- where to live
- religion
- education
- lifestyle

How much should family opinion influence the decision?

Role-Play: Family Meeting

A family has to decide whether to sell the family home.

Person A

- Wants to sell.

Person B

- Wants to keep it.

Person C

- Needs the money.

Person D

- Has strong emotional memories of the house.

Hold a family meeting.

Try to reach a compromise.

Leaving Home

At what age should young adults normally leave home?

Consider:

- education
- employment
- housing prices
- culture
- independence
- family responsibilities

Is there a “right” age?
