## WALLS

1. What does the outside wall of your house look like?
2. How many walls does your kitchen have?
3. What color are the inside walls of your house?
4. Is there a fence or a wall around your yard?
5. What are most walls in your country made of?
6. Are there any buildings in your city with interesting walls?
7. Do you think the walls of old buildings are better looking than the walls of new buildings?
8. If you have to build a house, would you build a wooden, brick, or stonewall? Which one is better in your opinion?
9. Do you like big glass windows, like glass walls?
10. A **mural** is a big painting on a wall, often in public places. Do you like murals? Do you think murals make a city look pretty?
11. Do you have any murals in your community?
12. What do you think of graffiti on city walls?
13. Would you like to be a graffiti artist?
